# Consumer Protection chair eyeing Jamaican assistance

**SENATOR** Jerome Gomez, chairman of the Consumer Protection Commission, made an official visit to its Jamaican counterpart organisation recently.

He reviewed operations at the Consumer Affairs Commission, and explored the assistance they might lend to the Bahamas as this nation launches its Consumer Protection Commission.

sion.

Accompanying Senator Gomez was the Commission's deputy chair, Philip Beneby. While in Jamaica the delegation also visited the Ministry of Industry Investment & Commerce, the Bureau of Standards, the Office of Utilities Regulation; the Fair Trading Commission and the Anti-Dumping & Subsidies Commission.
